

How to make a Civil War hat

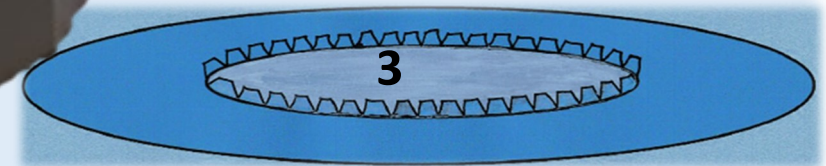

1 Cut a long rectangle of card

Wrap it around your head and tape it together to make the crown of your hat

Men and women wore wide brimmed hats

3

Draw around the crown again and cut out another circle. Tape it on top of your hat

5

4 Place your crown over the fringe on your brim and tape together

You will need

- Recycled cardboard (e.g.a grocery box or some cereal boxes)
- Marker Pen
- Scissors
- Sticky tap
- Paint or a black bin bag

Place the crown onto a large piece of card and draw around it.

Draw one circle a little bit smaller than your crown. Draw another circle a lot bigger than your crown. This is your brim.

Cut out this donut shape. Make cuts all around the inside circle .

This fringe will help your brim stick to your crown.
