

How to make a Civil War skirt

Starting at the first pin marker, pleat your fabric onto the ribbon. Each pleat is a fabric zigzag . Safety pin each pleat to the ribbon.

Make sure each pleat zig zags like this .

This way the length of fabric will reduce to a third and fit your waist . The number or size of pleats doesn't matter.

Finish the pleating at the last marker pin.

Wrap the ribbon around your waist. Leave extra for tying, Mark where the ties begin with safety

You will need

Safety pins

A piece of fabric that is:
three times as wide as your waist
the height of from your waist from the floor

Ribbon or fabric strip

Extra idea: Make a hip

Stuff one leg of some tights with newspaper, Tie the hip roll around your waist .
