How to make a Civil War waistcoat

Fold the arms inside the T-shirt
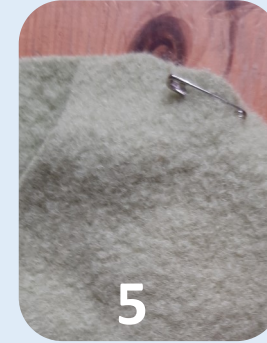

Fold the ends of the fabric into the middle

Lay the T-shirt on the top . Cut around it
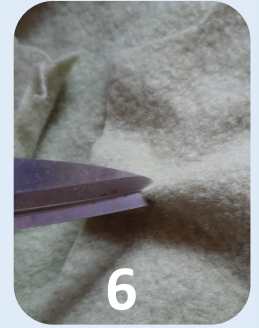

At the neck only cut the front layer

Safety pin together at the shoulders

Fold and snip holes on each side down the front

You will need

An old T-shirt (that still fits)

A piece of fabric twice the size of the t shirt

(for instance an old blanket or towel)

A shoelace, string or strip of fabric

Scissors

Safety pins

Lace the waistcoat together at the front
