

How to Make a Newspaper Pike

You will need: 2 sheets of newspaper, a cardboard tube and some tape.

Now you are ready to have a go at a pike drill!

1. Take two sheets of newspaper

2. Tape them together on the long edge

4. Tape a cardboard tube to a corner

5. Roll the tube inside the newspaper

6. Tape it down when you get to the end

5. Tuck in the ends.
