

# Civil War Spies!

**1**  
*START*  
London

2

*The King needs money. If you have soap barrels you can hide gold coins inside and roll again.*

*You are captured and searched! If you have a book, you can hide your spy letters inside and stay on this square.*  
*If not, you are taken away to be questioned. Go back to start.*

5

*6 Receive a message in code. If you have a cipher you can decode the message and move forward 2 spaces. If not, miss one turn.*

Quiz Card

4

*11 A double agent has found out you are a spy. If you have a pistol you are safe. If not go back 2 spaces*

*10 Write a letter to another spy to arrange a meeting. If you have paper, a quill and a pen knife move forward two spaces.*

9

*8 You are stopped by Roundhead soldiers outside a town. If you are a woman spy, or have packed women's clothing as a disguise, you are released and can roll again. If you are a man you are captured and must go back to start.*

Quiz Card

*13 Receive a blank letter. If you have silver nitrate to brush over the letter or a candle to heat the paper you can read the message and move forward 2 spaces*

14

15

*16 Your horse is stolen while you stay the night at an inn. If you have a horse roll again to carry on your journey.*

17

18

19

Quiz Card

**27:**  
*FINISH*  
Oxford

*26 Your secret letter is intercepted and decoded. Go back three spaces*

25

*24 You must smuggle a message into a town under siege. If you have a slug bullet put your message inside and pay someone to swallow it. Move forward one space*

23

*22 You are captured and found to be carrying messages in code. If you are a man, you are put on trial. Go back to start. If you are a woman you are released and can roll again*

21

*20 You need to write a letter to another spy. If you have a cipher move forward 1 space. If you have invisible ink move forward 3 spaces*
