

Going on a Dinosaur Hunt

(kids chant back each line after you say it)

Going on a dinosaur hunt.

And I'm not afraid.

There's a tall mountain.

Can't go under it.

Can't go around it.

Guess I'll go over it.

Going on a dinosaur hunt.

And I'm not afraid.

There's a river.

Can't go over it.

Can't go under it.

Guess I'll swim across it.

Going on a dinosaur hunt.

And I'm not afraid.

There's some tall grass.

Can't go over it.

Can't go around it.

Guess I'll go through it.

Going on a dinosaur hunt.

And I'm not afraid.

There's a cave!

Can't go over it.

Can't go under it.

Guess I'll go in it.

It's dark and spooky in here.

It's cold in here!

I feel some scales.

I feel some big teeth!

OHH! It's a Dinosaur!

(kids say the following with you)

Run out of the cave,

Go through the grass,

Swim across the river,

Climb the mountain,

Run, hope,

Open the door,

Jump into bed.

I went on a dinosaur hunt,

And I wasn't afraid!
