

Junk Shakers/Rattles

You will need

Anything that can be made airtight
and safe for small people.

For example small milk cartons or gravy tubs.
Something to go inside for noise e.g small stones.

Markers or paint to decorate.

Sticky tape to seal your container.

To make your Shakers,

Use permanent markers or paint to decorate.
Add some stones to the inside and tape shut.
that's it you're ready to play!
