

NEWARK & SHERWOOD DISTRICT COUNCIL

Pay Policy Statement 2021/2022

1. Introduction

1.1 This document sets out a Statement of Pay Policy for Newark & Sherwood District Council (the Council) for 2021/22 as required under Section 38 (1) of the Localism Act 2011. The Pay Policy Statement includes details about the remuneration of Chief Officers at the time of recruitment as well as arrangements relating to increases and additions to remuneration, the level and elements of remuneration including salary, bonuses and benefits in kind, the use of performance related pay and bonuses as well as the approach to the payment of Chief Officers on ceasing to hold office. The Statement also considers the lowest pay and median pay levels in the organisation. Pay details within this Statement are shown at rates as at 1 April 2020 pending finalisation of ongoing negotiations with the recognised Trades Unions. Once the 1 April 2021 pay award has been implemented this Statement will be revised to reflect the new rates.

2. Objectives of the Policy

2.1 The objectives of the policy are to ensure:

- transparency in respect of the arrangements for rewarding staff in the organisation and fairness in respect of the reward relationship between the highest and lowest paid; and
- that all decisions on pay and reward for Chief Officers comply with the parameters defined within this Pay Policy Statement.

3. Policy Statement

3.1 The Council recognises the importance of administering pay in a way that:

- attracts, motivates and retains appropriately talented people needed to maintain and improve the Council's performance and meet future challenges;
- reflects the market for comparable jobs, with skills and competencies required to meet agreed delivery and performance outcomes;
- operates within the provisions of Chief Officers pay and conditions as set out in the Joint Negotiating Committee for Chief Executives and Chief Officers of Local Authorities;
- operates within the provisions of the national agreement on pay and conditions of service as set out in the National Joint Council for Local Government Services; and
- is affordable and transparent.

4. Scope of the Policy

4.1 Individuals Affected

This policy covers all employees within the organisation including those defined as Chief Officers within Section 2 of the Local Government and Housing Act 1989.

4.2 Council Policies

4.2.1 This statement sets out the Council's policy with regards to:

- the remuneration of the authority's lowest-paid employees (together with a definition of "lowest-paid employees") and the reasons for adopting that definition;
- the relationship between remuneration of Chief Officers and that of other officers (pay multiples); and
- the remuneration of Chief Officers.

4.2.2 The statement also sets out the Council's policy on:

- a) the levels and elements of remuneration for each Chief Officer;
- b) remuneration of Chief Officers on recruitment;
- c) increases and additions to remuneration for each Chief Officer;
- d) the use of performance related pay for each Chief Officer;
- e) the use of bonuses for each Chief Officer;
- f) the approach to the payment of Chief Officers on their ceasing to hold office or being employed by the authority, and
- g) the publication of and access to information relating to remuneration of Chief Officers.

4.3 Pay Bargaining - the National Context

4.3.1 The Council is a member of the Local Government Employers Association for national collective bargaining purposes in respect of Chief Executives, Chief Officers and other employees of the Council. Separate negotiations and agreements are in place for each of these groups. Changes arising from national negotiations linked to remuneration generally take effect from 1 April each year and on occasions when negotiations conclude after this day any amendments to pay become retrospective to 1 April.

4.3.2 In accordance with the terms and conditions of employment for Council employees it is the Council's policy to implement national agreements regarding pay. In circumstances where nil pay is awarded as part of the collective bargaining process the Council will apply the same principle.

4.4 Remuneration of the Council's Lowest Paid Employees

4.4.1 All posts with the exception of Chief Officers engaged on JNC terms are evaluated using the Greater London Provincial Council (GLPC) Job Evaluation Scheme. This scheme was introduced during 2005 following the conclusion of single status negotiations. At the same time the Council also introduced a new grading structure to establish the link between evaluated posts and the Council's pay scales.

4.4.2 For the purpose of this policy the Council's "lowest paid employees" are defined as those employees on the lowest pay point available for use by the Council for substantive roles as determined through use of the approved job evaluation scheme and grading structure. This does not include grades or pay points set aside as trainee or development scales but relates to the minimum point for a competent employee appointed in to a defined role.

4.4.3 In accordance with the current pay scales the lowest substantive point at which a Council officer can be paid is £17,842. This is in accordance with the nationally approved pay scales which are subject to change in line with the national collective bargaining arrangements as detailed above.

4.5 Living Wage Foundation

4.5.1 In April 2013 the Council adopted a policy of paying all employees a Living Wage through the application of a pay supplement to fund the difference between the hourly rates (defined at the lowest substantive point at which a Council officer can be paid).

4.5.2 The Living Wage Foundation increased its Living Wage to £9:50 per hour on 1 October 2020. The Living Wage Supplement will continue to be paid during the forthcoming financial year should the Council's minimum hourly rate fall below that amount once the 2021/22 pay award has been implemented.

4.6 Pay Multiples

4.6.1 The Council does not explicitly set the remuneration of any individual or group of posts by reference to a simple multiple of another post or group of posts. The use of multiples cannot capture the complexities of a dynamic and highly varied workforce in terms of job content and skills required. Nor can it ensure that employees are treated fairly and equitably in respect of the value and level of a role that they undertake.

4.6.2 In terms of overall remuneration packages the Council's policy is to differentiate by setting different levels of basic pay to reflect the level of responsibility in line with the approved job evaluation scheme or as determined locally for Chief Officers engaged on JNC terms.

4.6.3 In determining pay for Chief Officers engaged on JNC terms, the Council would not expect remuneration of its highest paid employee to exceed **10** times that of the lowest group of employees, nor would the Council expect the remuneration of the highest paid employee to exceed **7** times that of the median¹ average earnings across the Council.

For ease of reference a list of posts to which this policy applies along with the relevant sub sections of the Local Government and Housing Act 1989 has been set out below:

- Chief Executive/Head of Paid Service (Section 2 (6) of the Act);
- Deputy Chief Executive (Section 2 (6) and (7) of the Act);

¹ Within the Hutton Review it was suggested that the most appropriate pay multiple to track is that of top executive earnings to the median earnings of each organisation's workforce. Refer to para 2 Hutton Review of Fair Pay in the Public Sector: Final report (March 2011).

- Directors (Section 2 (7) of the Act);
- Assistant Director (Section 2 (7) of the Act);
- Statutory Officers (Section 2 (6) of the Act);
- Business Managers on Zone 3 or above (Section 2 (8) of the Act).

5.2 For the purpose of this policy the term remuneration includes:

- a) the salaries or the amounts payable to Chief Officers engaged by the authority under contracts of employment and / or contracts for services;
- b) payments made by the authority to the Chief Officers for those services;
- c) any bonuses payable by the authority to Chief Officers;
- d) any charges, fees or allowances payable by the authority to Chief Officers;

- f) any increase in or enhancement of pension entitlement where the increase or enhancement is as a result of a resolution of the Authority, and

Compliance with these requirements will be assessed through the Council's performance management and appraisal mechanisms, and a decision on whether an annual increment will be paid (where applicable) will be made as part of that process.

The amount payable will differ according to each individual set of circumstances to be determined by the respective Director in conjunction with the Human Resources Section. Further details relating to the terms outlined within [the NJC conditions of service can be accessed here](#).
- Market Supplements
The Council recognises that financial pressures and pay restraints have impacted on the ability of public sector employers to compete in the labour market for some posts. Where the Council finds it difficult to recruit to specific posts and / or retain employees in those posts, the payment of a Market Supplement to base salary may be necessary as set out within the single status agreement. Typically, a Market Supplement is paid where the 'going rate' for a specific job or specialism is higher than that offered by the Council. The Council does not currently provide any form of benefits in kind to employees engaged by the Council.

5.6.3 The Local Government Pension Scheme and Policies with regard to exercise of discretion.

All employees of the Council have the option to join the Local Government Pension Scheme (LGPS). The scheme is a statutory scheme and operates on the basis of employee/employer contributions with employee contribution rates differing according to earnings. Details of the scheme including current contribution rates can be accessed by following the attached link. www.lgpsregs.org

The scheme provides for exercise of discretion to allow for retirement benefits to be enhanced. The Council will consider each case on its own merits in accordance with the parameters defined within the policy. Details can be found in the [Redundancy and Discretionary Compensation Policy](#). This policy applies to all officers of the Council irrespective of their status provided they have at least two years continuous service.

5.6.4 Payment of Chief Officers on their Ceasing to Hold Office or being employed by the Council

Arrangements relating to the provision of termination payments for the loss of office for Chief Officers and all other officers leaving the authority on the grounds of redundancy, efficiency and early retirement are outlined in the Council's policy. Details in relation to any discretion that may be afforded in respect of pension enhancements can be found in the Redundancy and Discretionary Compensation Policy (link above at 5.6.3). This policy applies to all officers of the Council irrespective of their status provided they have at least two years continuous service.

5.6.5 Severance Packages over £75,000

Where a member of staff applies for voluntary redundancy, early retirement, termination on the grounds of efficiency or is made compulsorily redundant the pension and redundancy entitlements are determined by the Chief Executive in consultation with the Discretionary Payments Panel which is made up of the Chief Executive, the Section 151 Officer and another Chief Officer. Where appropriate the panel may comprise the nominated deputy for the Chief Executive or the Section 151 Officer.

Appeals against the decisions of the Discretionary Payments Panel will normally be determined by an appeal panel comprising either the Chief Executive, their nominated deputy, the Section 151 Officer, their nominated deputy or another Chief Officer provided that they have not been involved in the initial determination. However in the case of Chief

Officers any appeal shall be determined by the Policy & Finance Committee or a sub-committee appointed on their behalf acting as an appeals panel.

In the case of any voluntary redundancy, compulsory redundancy, efficiency or early retirement (including health-related which falls short of meeting the ill health early retirement regulations) in respect of a member of staff where the cost to the Council exceeds £75,000, the Chief Executive shall not determine the matter until he has first consulted a Member Panel comprising the Leaders of all political groups of the Council.

In determining the “*cost to the Council*” for the purposes of this policy, the following will be included:

- the cost of early release of pension (pension strain);
- the cost of any pension enhancement;
- the cost of any redundancy payment (statutory and discretionary);
- the cost of any holiday pay, other fees or pay in lieu of notice.

In determining the “*cost to the Council*”, pension benefits which have been purchased by the employee will be disregarded.

Note: The Council will have regard to the Statutory Instrument laid before parliament on the 24 January 2017 which brought s41 of the Enterprise Act 2016 into force on 1 February 2017 (this is an enabling provision which allows the cap regulations to be made). Final details regarding the regulations and associated guidance is now awaited from East Midlands Councils and once received the Statement along with any other associated policies/procedures will be updated to reflect legislative requirements.

5.6.6 Settlement Agreements

The Chief Executive has delegated authority to determine the terms of Settlement Agreements relating to any member of staff.

In the case of any proposed Settlement Agreement in respect of a Chief Officer, the Chief Executive shall not determine the terms of the Settlement Agreement until he has first consulted a Member Panel comprising the Leaders of all political groups of the Council.

5.6.7 Recruitment of Officers in receipt of Local Government / Fire Fighters Pension, Severance or Termination Payments

When considering whether to employ individuals in receipt of local government pension or fire fighter pensions the Council is required to have regard to the policy on Pension Abatement as determined by the relevant Administrative Body for the Pension Scheme. It should be noted that the Administrative Body for the purposes of discretion may differ according to where the individual was previously employed.

The Council’s current policy on the appointment of former staff as consultants requires that any ex-employee who has taken voluntary redundancy or early retirement not be engaged as a consultant (including under a contract for services) without a formal committee resolution.

The Council will not refrain from re-employing former employees who have received payments for redundancy, severance or any other reasons defined under the terms of a settlement agreement or those individuals who have received similar payments from organisations listed on the Redundancy Modifications Order if it is satisfied that the individuals are the best candidates for the posts.

Where appropriate the Council will also have regard to the regulations and any associated guidance notes produced concerning Exit Pay Recovery for officers returning to the public sector follow exit.

This policy applies to all posts that are advertised within the Council irrespective of their status and is in-keeping with the Council's policy on Recruitment and Selection in respect of ensuring equality of opportunity.

For the purpose of this policy "off payroll" arrangements refer to individuals engaged directly under a contract for services (rather than being employed direct by the Council) operating at the Chief Officer level. Approval of Human Resources policies and procedures is delegated to the Head of Paid Service after prior consultation at the JCC.
- 8.3 Given that the Pay Policy Statement relates to terms and conditions of employment as well as making reference to Human Resources policies and procedures it is appropriate for it to be considered by the Policy and Finance Committee and any amendments made thereto before it is referred on to Full Council for approval.
- 8.4 Any proposed changes to terms and conditions of employment including salaries arising from collaboration activities (e.g. shared services) will be subject to the prior approval of the Policy & Finance Committee.

In certain circumstances it may be necessary to review the policy in year as a consequence of changes to legislation and/or organisational requirements. In the case of legislative changes where the Council has no discretion the Pay Policy Statement will be automatically amended to reflect the revised legislation. In any case where there is discretion or where it is proposed to make in year changes to reflect organisational requirements such changes may be approved by the Policy & Finance Committee.
