Amended Newark and Sherwood Community Infrastructure Levy Instalment Policy – 1st May 2013

1. Introduction

Regulation 70 (7) of the Community Infrastructure Levy (Amendment) Regulations 2011 sets a default of full payment of the Levy within 60 days of the commencement of development. The Amendment Regulations also enable a Charging Authority to set an Instalment Policy that allows payments to be spread over longer periods. Within Newark and Sherwood it is considered reasonable that payment instalments are scheduled in proportion to the scale of development that is proposed.

The District Council have undertaken a review of its instalment policy. To provide greater flexibility and to give developers longer to pay CIL the policy has been amended by increasing each of the instalment periods.
