Good afternoon Honor

Thank you for sending the meeting invite this morning. I would be grateful if you could forward on the conservation officer and landscape comments when you receive them, or let me know they are on the application page to view.

In response to the highlighted matters in your email below:

- Attached is updated site location plan which includes the discrete biodiversity area (which was omitted from this plan in error)
- The site area as shown on the revised site location plan is 106.07ha
- The total area covered by the panels is 80ha.

I also attach updated site layout plan rev K which corrects the alignment of the historic Public Right of Way in the south-eastern corner of the site. There are no other changes to the proposals.

Best regards

James Walker
