Re: Amended Planning Application Consultation – Application reference 20/01242/FULM

Consultation Date: 18 December 2020

Proposal:	Construction of a solar farm and battery stations together with all associated works, equipment and necessary infrastructure.
Site Address:	Land North Of Halloughton Southwell
Planning Application Ref:	20/01242/FULM
Target Date for Decision:	9 October 2020
Case Officer:	Honor Whitfield

With reference to our previous consultation regarding the above application, we have received amended information as described below. Please indicate whether you support or object to the proposal. Your comments need to be with us by **13 August 2020**.

Amended documents and plans rec'd 18.12.20

Application details, including plans, site extents (using the 'Map' facility) and supporting information are available to view on our website at www.newark-sherwooddc.gov.uk/planningapplications. If this consultation relates to the renewal of an extant planning permission, please refer to documents associated with the previous application also available online (the previous planning application number is mentioned in the proposal).

Your comments can be submitted online using the above website or sent by email to planning@nsdc.info.

Please be aware, all information including signatures and contact details you provide will be publicly available.

In the event of an appeal against a refusal of planning permission, if the application refers to a 'householder application', any representations made this application will be sent to the Secretary of State, and there will be no further opportunity to comment at appeal stage.

A copy of the decision notice and officer/committee report will be available on our website after the application has been decided.

Data protection and privacy:

We are committed to protecting your personal data and privacy. The personal information you provide will only be used by the Council, in accordance with General Data Protection Regulation (GDPR) 2016 and used for the purposes of determining the application.

All information including signatures and contact details you provide will be published (publicly available) in full. You should also ensure that there are no third party references which could breach the privacy requirements of the GDPR.

Please see our website for further information regarding our privacy notice.
